

Position Profile

Job Title: Industrial Services Operative
Division/ Function: Industrial Services
Reports to: Industrial Services Supervisor
Location: North of England
Last Review Date: January 2023

Purpose of the Position

Totus Environmental Limited is one of the UK's leading innovative international waste management and industrial services. We specialise in hazardous waste, alternative fuels, commodities and industrial services; serving a wide range of sectors.

Our Industrial Services division combines a range of services to provide appropriate solutions such as tank cleaning, materials handling, chemical cleaning, decommissioning, water jetting and environmental response.

People are our business; without them we would be nothing. Our professional team members are capable, reliable hands that ensure the safe, secure and industry leading delivery of our customers' requirement and projects. First time, every time.

We understand the important part our customer facing staff play in our business. We make our staff feel part of the team; they are provided with state-of-the-art equipment and vehicles, new uniform and training and development opportunities. We want our staff and technicians to feel proud of the work they do and proud of the company they work for. You will have the opportunity to work on bespoke projects to deliver a pragmatic first-class service for our clients.

As an industrial service operative, you will need to be reliable, hardworking and enthusiastic and also safely operate the equipment on site (full training will be provided). This role will include overnight stays or periods of working away from home.

We offer very competitive rates of pay and benefits package. All operatives are offered guaranteed hours as well as overtime and overnight rates.

What we offer

- Above average rates of pay
- Overtime and overnight additional rates and allowances
- Guaranteed hours
- 28 days annual leave (including Bank holidays)
- Company pension contributions
- Training and development opportunities

- Fully funded training
- Uniform & PPE
- Opportunity to progress throughout the company

Essential Requirements

- Ability to work as part of a team
- A strong focus and understanding of safety
- Flexibility with work hours and ability to work away from home for significant periods of time
- Valid driving license
- Confined space entry would be desirable
- Fully qualified in BA and safety masks would be desirable

All offers of employment are subject to valid Right to Work documentation, completion of a Health check and Drug and Alcohol screening prior to start.

Mobility / Working Environment

This is a manual role which may involve overnight stays or periods of working away from home (all reasonable expenses reimbursed).
